This label is not a statutory requirement. It is a voluntary label provided as a customer service to allow consumers to make informed decisions on the energy performance of competing products.

- ❖ Energy Ratings apply to complete window, including glass.
- ❖ Customer's own glazing within a frame manufactured by Climatec is not part of the certification process and therefore is not warranted to show a window energy rating.
- ❖ Doors not included in window energy rating certification.
- ❖ Prices for energy rated windows available on request.
