FUHR 2 HOOKS, 2 CAMS INTERNAL RESTRICTOR

- Added security for front doors.
- Integral restrictor enables partial opening without compromising security
- Lever operated and split spindle locks can be offered with a built in opening restrictor
- The restrictor engages simply with a turn of the knob, allowing the door to be partially opened
- The door has to be closed and the restrictor disengaged and re-opened before a visitor can gain access
- Thumb turn handles available in white, chrome or gold
